## Why TQS

Available to ship in less than a week, Techline's Quick Ship program consists of the most popular Architectural Casework cabinets and sizes in a neutral Antique White or our American Cherry finish. TQS is ideal for infills and internal remodeling projects when time is critical. Techline's unique design also provides flexibility for renovating or repositioning as your facility changes.

## TQS Features

TQS cabinets, in both finishes, include our standard Satin Chrome pulls and are shipped assembled. Although cabinet bases are not included, they are TQS items that can be ordered separately. Wall cabinets have a 1" overhang that is used to open the door and provide a valance for the cabinet. Open shelves and scribes are not shown, but they are also TQS items. For more information about TQS, please contact your authorized Techline representative.

## About Techline

Techline is a leading supplier of casework and millwork to the healthcare, education and general construction market. For over 35 years, Techline has been recognized for quality manufacturing, on-time delivery and competitive pricing. To view the complete product offering, please refer to the Architectural Casework brochure.

## Techline Warranty

All Techline architectural cabinets come with a 10-year warranty to the original owner against defective material or workmanship.

## AWI Certified

Techline modular casework is certified by the AWI Quality Certification Program.
